Dear Dr. Guarracino,

It is my pleasure to invite you to give a presentation in the Cattle/Sheep/Goat2 workshop at the 33rd annual Plant and Animal Genome Conference to be held in January 9-14, 2026 in San Diego, California, USA.

As you know, the Plant and Animal Genome Conference is an international event that brings together leading experts in genomics to discuss the latest advancements in our field. Your research is highly regarded, and we welcome your contributions to our workshop. I hope you can join us and present your recent research findings.

Sincerely,

Stephanie McKay, Ph.D.  
Associate Professor, University of Missouri
